Cucu (p. 34) and Daniels (p. 29) put the date incorrectly as October 28, 1977, based on a mistake by Selvin in his liner notes for the *Time (Cubed)* box set (p. 19). But it was in his October 3, 1977 article that Selvin reported on Perry's "first public performance as a member of the group" after the six-show run from September 30 through October 2 at the Old Waldorf.
